### **CHURCHES FOR LIFE**

PO Box 41152  
St. Louis, MO 63141  
314-267-4238  
Doug Merkey, President  
[info@getintolife.org](mailto:info@getintolife.org)  
[www.getintolife.org](http://www.getintolife.org)

Churches for Life works primarily with local churches and "Life Teams" to nourish them as gospel-driven champions of life. They accomplish this using strategies to build the infrastructure and relationships through which the gifts of God's people and the expertise of life-affirming agencies can radiate life.

Churches for Life' (CFL) mission is to nourish churches as gospel-driven champions of life. We believe that Christians are by definition "rescued rescuers." That is, we have been rescued by God through Christ. He did this while we were yet sinners facing an eternal peril yet having no ability to rescue ourselves. We believe that God is most delighted when the fact of His gracious rescue grips our hearts and we, with an overflow of gratitude and joy, look after others in peril. At CFL, we help Christians and churches live out the fact that God's rescuing us in the gospel should result quite naturally and joyfully in our rescuing those in immanent physical peril, like the unborn, embryos, and related persons. We advance this vision in churches by helping them start and grow a gospel-driven Life Team. In fact, Central Presbyterian has a CFL-born Life Team. A Life Team is...

...a group of **rescued** people (congregants spiritually rescued in the gospel)

equipping other **rescued** people (other congregants spiritually rescued in the gospel)

to **rescue** people (those in grave peril both within and outside the congregation).

Think of a Life Team (at Central and at other churches) as a Missions Team dedicated to the sanctity of human life:

- Just as most church Missions Teams **equip** their church to synchronize with God's heart for those in *spiritual* peril, so too a *Life Team* helps their church synchronize with God's heart for those in *physical* peril. Both equip the congregation.
- Just as a Missions Team is **trusted** by church leadership, so too is a Life Team.
- Just as a Missions Team is the **interface** between the church and missionaries/agencies, so too is a Life Team the interface between the church and various life-affirming agencies.
- And like a Missions Team, a Life Team is **populated and led by trusted church members**. In other words, CFL does not lead Life Teams. We train indigenous leaders to lead them beneath indigenous pastoral oversight.

Elder Joe Stephens is the current chair of Central's Life Team. To find out more, contact Joe at jlbs123@hotmail.com.

CFL is constantly seeking **praise and prayer partners** as a foundation for our ministry. These cherished partners receive a weekly "Praise & Prayer" email and a monthly e-letter with gospel-driven encouragement and life-affirming news. To sign up, email us at [info@getintolife.org](mailto:info@getintolife.org). We also seek **financial partners**. LifeGivers are monthly electronic givers whose commitment frees us to focus on serving churches and Life Teams, like Central's, instead of fund-raising.
