

Gospel Transformation

Friday Mornings

August 20 - May 20

- a time of worship
- teaching that focuses on processing the gospel deeper into your life
- purposeful small groups
- homework that is thoughtful, helpful, tested over years, and grounded in the Bible.

I've realized anew that I spin my wheels when I try to do things in my own power, seeking to build up my status or feed my pride. I'm learning about true repentance and authentic relationships with other Christians.

-Libby McCandless, GT 2008/2009
